

Code Upgrade CommunityWorks

WHEN: Wednesday, June 24, 2026

WHERE: The change will affect the following venue(s):

- Acute/Inpatient (to include ED & Peri-Op)
- Ambulatory

At the following NLH Member Organization(s):

- Northern Light Mayo Hospital
- Northern Light Orthopedics Dover-Foxcroft
- Northern Light Pain Management Dover-Foxcroft
- Northern Light Primary Care Corinth
- Northern Light Primary Care Dover-Foxcroft
- Northern Light Primary Care Milo
- Northern Light Surgery Dover-Foxcroft
- Northern Light Women's Health Dover-Foxcroft

WHO: The change will affect the following staff at the above noted locations:

- All Clinical Staff

WHAT: Oracle Cerner will be performing a code level upgrade to CommunityWorks. This upgrade includes system enhancements and updates. Documentation and ordering will remain available.

NOTE: Staff will receive a prompt to sign off at 15, 5, and 1-minute timeframes before the system will log users out. Upon signing back in, users will be on the new code level.

WHY: These updates are intended to improve workflow efficiency and incorporate the latest available enhancements.

HOW: Oracle Cerner will make these updates **Wednesday, June 24**, as part of their code upgrade for our domain. To view these updates, click [here](#).
