CommunityWorks Code Upgrade

All Venues

Worklist Filters

- Worklists filters can now be applied to the following Worklists:

Age Friendly Worklist - Clinic

Age Friendly Worklist - Inpatient

Clinical Leader Organizer

COVID-19 Worklist

LTC Social Work Viewpoint

LTCMEDICATIONSCHEDULEWORKLIST

Mass Vacc Worklist

Nutrition Organizer

Oncology Navigator Worklist

Patient Schedule View

Rehabilitation Organizer

NOTE: Saved filters are automatically applied and retained when PowerChart is refreshed or reopened.

Social History

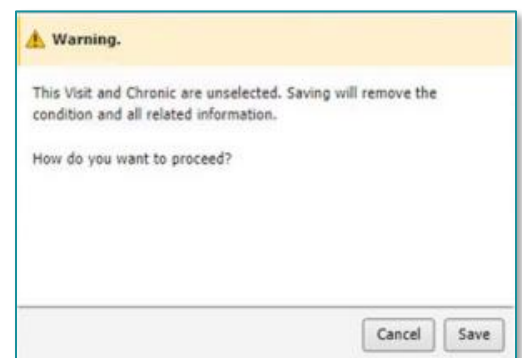

- Social History documentation now restricts updates to the most recent entry within each category. This enhancement reduces duplicate or outdated entries and helps maintain accurate, consistent patient information.

Problem List Warning

- A warning message is now shown when unchecking **This Visit/Chronic** checkbox in the Problem List MPage component.

Flowsheets

- Direct and modify charting in Flowsheet and Results Review are being discontinued; all modifications must be completed in PowerForm, iView, or Point of Care Results Entry.

For questions regarding process and/or policies, please contact your unit's Clinical Educator. For questions regarding workflow, please [place a ticket](#) to Health Informatics. For any other questions please contact the Customer Support Center at: 207-973-7728 or 1-888-827-7728.
