

Pressure Injury Assessment Tools Update

WHEN: February 5, 2025

WHO: This change will affect the following staff, who are Bcc'd on this e-mail:

- Nursing
- Occupational Therapy
- Physical Therapy
- Speech Therapy

WHAT: The **Pressure Injury Assessment Tool** selection screen is updating to have only two assessment choices available, **Secondary Eval** and **Braden Scale II©**.

WHY: Reducing the selections available to make this screen more efficient.

HOW: Within the **Pressure Injury Assessment tool question**, select the appropriate selection to document the assessment.

Secondary Eval

- Select for a Secondary Evaluation to bypass the Braden Scale questions.

Braden Scale II©

Select for an Admission, Resumption of Care, Recertification or Other follow-up visits to document the Braden Scale and establish the pressure sore risk score.
