

Process Measure Care Plan Updates

WHEN: Wednesday, July 16, 2025 – Effective Immediately

WHO: The change will affect the following staff, who are Bcc'd on this e-mail:

- Occupational Therapists
- Physical Therapists
- Skilled Nursing

WHAT: The Care Plans for Process Measure will be updated with two new interventions.

- UTI/incontinence: Notify physician within one calendar day if exhibits signs and symptoms of UTI.
- UTI/incontinence: Assess/instruct patient/caregiver in cause of UTI, common symptoms, and preventative measures.

WHY: The update is occurring to align the required documentation for interventions provided.

HOW: Continue to document care plans, including the intervention when necessary.
