EHR Updates

Week of November 6 – November 12, 2025

All Millennium Users

Patient Education Content Update

WHAT: The Krames and ExitWriter **Patient Education** content (the content within the Patient Education tools in Cerner) will be updated.

While there is **no planned downtime**, users will be able to search for content but will **not have access to any Favorites** during the updates. **Custom Content will remain available** throughout the upgrade, which includes the NLH Prevention titles used for **Medicare Wellness Visits**.

WHY: Updates to the Patient Education libraries provide caregivers with access to the most current education content for our patients.

WHEN: **Wednesday, November 12, 2025**

- Emergency Department 07:30 – 11:00
- Ambulatory and Inpatient 12:00 – 16:30

WHERE: **The change will affect the following venue(s):**

- Acute/Inpatient (to include ED & Peri-Op)
- Ambulatory/WIC

At the following NLH Member Organization(s):

- All NLH Member Organizations (excluding Mayo)

WHO: **The change will affect the following staff at the above noted locations:**

- All Millennium End Users

Behavioral Health Staff

Ambulatory Only

Occult Blood Order Updates

WHAT: Occult Blood Stool order names will be updated to align with the collection kits offered at the lab.

EHR Updates

Week of November 6 – November 12, 2025

Order Updates

Current Order	New Order
Occult Blood Stool #1	Occult Blood Stool Immuno #1 <i>OR</i> Stool Occult Blood Immuno #1 (iFOBT)
Guaiac (Hemoccult), Stool #1	
Hemoccult Stool #1	
Stool Occult Blood #1 (Guaiac)	
Occult Blood Stool #2	
Guaiac (Hemoccult), Stool #2	
Hemoccult Stool #2	
Stool Occult Blood #2 (Guaiac)	
Occult Blood Stool #3	
Guaiac (Hemoccult), Stool #3	
Hemoccult Stool #3	
Stool Occult Blood #3 (Guaiac)	

NOTE: Only the immunochemical collection kits should be ordered.

WHY: The update aligns order names with the collection kits currently in use and ensures consistency across all NLH sites.

WHEN: Tuesday, November 11, 2025

WHERE: The change will affect the following venue(s):

- Ambulatory/WIC

At the following NLH Member Organization(s):

- NL AR Gould
- NL CA Dean
- NL Mercy (excluding Mercy Primary Care Yarmouth and Mercy Cardiovascular Yarmouth)
- NL SVH

WHO: The change will affect the following staff at the above noted locations:

- Clinical Staff
- Laboratory Staff
- Providers

EHR Updates

Week of November 6 – November 12, 2025

Medication History Updates

WHAT: The Medication History MPage component will be updated to allow for the medication history workflow to be performed and completed within the component.

Highlights of the changes

- Update compliance using the dropdown.
- Add documented medication from the component.

NOTE: Click [here](#) for more information on the Medication History Workflow MPage component.

WHY: The update allows clinical staff to maintain their workflow in one window and not needing to navigate out to the documented medication by history window to complete the medication history.

WHEN: Tuesday, November 11, 2025

WHERE: The change will affect the following venue(s):

- Acute/Inpatient
- Ambulatory/WIC

At the following NLH Member Organization(s):

- All NLH Hospitals (excluding Mayo)

WHO: The change will affect the following staff at the above noted locations:

- Clinical Staff

New Order – Beta Hydroxybutyrate

WHAT: A new order, **Beta Hydroxybutyrate** (BHB) will be available to order to be performed at a Northern Light Laboratory.

WHY: This update is being made to align with testing that is available at Northern Light Laboratories

WHEN: Tuesday, November 11, 2025

WHERE: The change will affect the following venue(s):

- Acute/Inpatient (to include ED & Peri-Op)
- Ambulatory/WIC

At the following NLH Member Organization(s):

- All NLH Hospitals

WHO: The change will affect the following staff at the above noted locations:

- Clinical Staff
- Providers

Patient Education Content Update

WHAT: The Krames and ExitWriter **Patient Education** content (the content within the Patient Education tools in Cerner) will be updated.

While there is **no planned downtime**, users will be able to search for content but will **not have access to any Favorites** during the updates. **Custom Content will remain available** throughout the upgrade, which includes the NLH Prevention titles used for **Medicare Wellness Visits**.

WHY: Updates to the Patient Education libraries provide caregivers with access to the most current education content for our patients.

WHEN: **Wednesday, November 12, 2025**

- Emergency Department 07:30 – 11:00
- Ambulatory and Inpatient 12:00 – 16:30

WHERE: The change will affect the following venue(s):

- Acute/Inpatient (to include ED & Peri-Op)
- Ambulatory/WIC

At the following NLH Member Organization(s):

- All NLH Member Organizations (excluding Mayo)

WHO: The change will affect the following staff at the above noted locations:

- All Millennium End Users
-

EHR Updates

Week of November 6 – November 12, 2025

Inpatient Only

Medication History Updates

WHAT: The Medication History MPage component will be updated to allow for the medication history workflow to be performed and completed within the component.

Highlights of the changes

- Update compliance using the dropdown.
- Add documented medication from the component.

NOTE: Click [here](#) for more information on the Medication History Workflow MPage component.

WHY: The update allows clinical staff to maintain their workflow in one window and not needing to navigate out to the documented medication by history window to complete the medication history.

WHEN: Tuesday, November 11, 2025

WHERE: The change will affect the following venue(s):

Non-Medication Skin Care Products Removed From Order Catalog and added to iView for Documentation – Effective 12/2/25

WHAT: Orders

The following **non-medication skin care products** used for skin hydration and not the treatment of a disease state have been **removed** from **PowerPlans** and the **order catalog**:

- Aquafor
- Eucerin
- Lanolin
- Vaseline
- Vitamin A&D Ointment

Obtaining the Non-Medication Skin Care Products

The non-medication skin care products will become floor stock items and nursing should follow the current process of obtaining floor stock items.

Pharmacy Product	Supply Chain Description	Infor Item #	MFG
Eucerin Cream	Eucerin Lotion 8.4 oz	547227	Beiersdorf Inc
Lanolin Cream	Purelan Lanolin Cream 7g	547232	Medela
Vaseline	Jelly Petroleum 1 oz	541641	Medline
Vaseline	Jelly Petroleum Remedy Essentials 4 oz	546768	Medline
A&D	Ointment Soothe & Cool 2 oz	541567	Medline

NOTE: Work with nursing leadership and supply chain to get these items stocked where needed.

Click [here](#) to access the Supply Chain Portal.

Documentation of Non-Medication Skin Care Products

- **Non-Medication Skin Care Product Applied** has been added to **Activities of Daily Living Hygiene ADLs** in Interactive View and I&O.
-

EHR Updates

Week of November 6 – November 12, 2025

- Nursing and CNAs are to use this documentation field when these products are used.

NOTE: The existing **orders** for these products **will be discontinued** at the time of go-live. Nursing/CNAs will **continue to use these products** on their patients and **document their usage in iView**.

- WHY:**
- Improves nursing and CNA workflows.
 - Improves patient experience by allowing these products to be at the bedside.

WHEN: Tuesday, December 2, 2025

WHERE: The change will affect the following venue(s):

- Acute/Inpatient (to include ED & Peri-Op)

At the following NLH Member Organization(s):

- All NLH Hospitals (excluding Mayo)

WHO: The change will affect the following staff at the above noted locations:

- Nursing
 - Pharmacy
 - Providers
-

EHR Updates

Week of November 6 – November 12, 2025

Nursing, CNA, Medical Assistants

Ambulatory/WIC

Occult Blood Order Updates

WHAT: Occult Blood Stool order names will be updated to align with the collection kits offered at the lab.

Order Updates

Current Order	New Order
Occult Blood Stool #1	Occult Blood Stool Immuno #1 <i>OR</i> Stool Occult Blood Immuno #1 (iFOBT)
Guaiac (Hemoccult), Stool #1	
Hemoccult Stool #1	
Stool Occult Blood #1 (Guaiac)	
Occult Blood Stool #2	
Guaiac (Hemoccult), Stool #2	
Hemoccult Stool #2	
Stool Occult Blood #2 (Guaiac)	
Occult Blood Stool #3	
Guaiac (Hemoccult), Stool #3	
Hemoccult Stool #3	
Stool Occult Blood #3 (Guaiac)	

NOTE: Only the immunochemical collection kits should be ordered.

WHY: The update aligns order names with the collection kits currently in use and ensures consistency across all NLH sites.

WHEN: Tuesday, November 11, 2025

WHERE: The change will affect the following venue(s):

- Ambulatory/WIC

At the following NLH Member Organization(s):

- NL AR Gould
 - NL CA Dean
-

- NL Mercy (excluding Mercy Primary Care Yarmouth and Mercy Cardiovascular Yarmouth)
- NL SVH

WHO: The change will affect the following staff at the above noted locations:

- Clinical Staff
- Laboratory Staff
- Providers

Medication History Updates

WHAT: The Medication History MPage component will be updated to allow for the medication history workflow to be performed and completed within the component.

Highlights of the changes

- Update compliance using the dropdown.
- Add documented medication from the component.

NOTE: Click [here](#) for more information on the Medication History Workflow MPage component.

WHY: The update allows clinical staff to maintain their workflow in one window and not needing to navigate out to the documented medication by history window to complete the medication history.

WHEN: Tuesday, November 11, 2025

WHERE: The change will affect the following venue(s):

- Acute/Inpatient
- Ambulatory/WIC

At the following NLH Member Organization(s):

- All NLH Hospitals (excluding Mayo)

WHO: The change will affect the following staff at the above noted locations:

- Clinical Staff
-

EHR Updates

Week of November 6 – November 12, 2025

5210 Healthy Habits Form Updates

WHAT: The 5210 Healthy Habits Ages 2-9 form within the 5210 Healthy Habits form will be updated.

Added and updated Documentation

- How many days a week are you and your child physically active together, like running or jumping rope?
- How much time a day does your child spend being active?
- **UPDATED:** How many 8-ounce servings of the following does your child drink a day?

5210 Ages 2-9 5210 Healthy Habits Questionnaire ages 2-9

1. How many servings of fruits and vegetables does your child have a day? (One serving is: 1/2 cup of fresh or frozen (the size of a fruit cup), 1 cup of leafy greens (a small salad), or a piece of fruit the size of a tennis ball.)

2. How many times a week does your child eat dinner at the table with the family?

3. How many times a week does your child eat breakfast?

4. How many times a week does your child eat takeout or fast food?

5. How much screen time does your child have each day? (Don't include school work.)

6. Does your child have a TV or keep a tablet or smartphone in their bedroom?

7. How many hours does your child sleep each night?

8. How many days a week are you and your child physically active together, like running or jumping rope?

9. How much time a day does your child spend being active? (This means they are breathing harder, and their heart is beating faster.)

10. How many 8-ounce servings of the following does your child drink a day?

100% Fruit Juice	Water	Fruit drinks or sports drinks
Whole milk	Soda or punch	Nonfat or reduced fat milk

11. Based on your answers, is there ONE thing you would like to help your child change now?

<input type="checkbox"/> Eat more fruits and vegetables	<input type="checkbox"/> Drink more water
<input type="checkbox"/> Eat at your family more often	<input type="checkbox"/> Be more active as a family
<input type="checkbox"/> Eat less fast food/takeout	<input type="checkbox"/> Get more exercise
<input type="checkbox"/> Eat less sugar	<input type="checkbox"/> Spend less time watching TV or using a tablet/smartphone
<input type="checkbox"/> Drink less soda, juice, or punch	<input type="checkbox"/> Set a regular bedtime

NOTE: TONIC has been updated with these changes.

WHY: These updates are being implemented to align the current 5210 Healthy Habits form in the EHR to the current paper form.

- **UPDATED:** How many 8-ounce servings of the following does your child drink a day?

5210 Healthy Habits Questionnaire ages 2-9

1. How many servings of fruits and vegetables does your child have a day? (One serving is: 1/2 cup of fresh or frozen (the size of a fruit cup), 1 cup of leafy greens (a small salad), or a piece of fruit the size of a tennis ball.)

2. How many times a week does your child eat dinner at the table with the family?

3. How many times a week does your child eat breakfast?

4. How many times a week does your child eat takeout or fast food?

5. How much screen time does your child have each day? (Don't include school work.)

6. Does your child have a TV or keep a tablet or smartphone in their bedroom?

7. How many hours does your child sleep each night?

8. How many days a week are you and your child physically active together, like running or jumping rope?

9. How much time a day does your child spend being active? (This means they are breathing harder, and their heart is beating faster.)

10. How many 8-ounce servings of the following does your child drink a day?

<input type="checkbox"/> 100% Fruit Juice	<input type="checkbox"/> Water	<input type="checkbox"/> Fruit drinks or sports drinks
<input type="checkbox"/> Whole milk	<input type="checkbox"/> Soda or punch	<input type="checkbox"/> Nonfat or reduced fat milk

11. Based on your answers, is there ONE thing you would like to help your child change now?

<input type="checkbox"/> Eat more fruits and vegetables	<input type="checkbox"/> Drink more water
<input type="checkbox"/> Eat with your family more often	<input type="checkbox"/> Be more active as a family
<input type="checkbox"/> Eat less fast food/takeout	<input type="checkbox"/> Get more exercise
<input type="checkbox"/> Eat less sugar	<input type="checkbox"/> Spend less time watching TV or using a tablet/smartphone
<input type="checkbox"/> Drink less soda, juice, or punch	<input type="checkbox"/> Set a regular bedtime

NOTE: TONIC has been updated with these changes.

WHY: These updates are being implemented to align the current 5210 Healthy Habits form in the EHR to the current paper form.

WHEN: Tuesday November 11, 2025

WHERE: The change will affect the following venue(s):

- Ambulatory

At the following NLH Member Organization(s):

- All NLH Hospitals (excluding Acadia and Mayo)

WHO: The change will affect the following staff at the above noted locations:

- Clinical Staff
 - Providers
-

New Order – Beta Hydroxybutyrate

WHAT: A new order, **Beta Hydroxybutyrate (BHB)** will be available to order to be performed at a Northern Light Laboratory.

WHY: This update is being made to align with testing that is available at Northern Light Laboratories

WHEN: Tuesday, November 11, 2025

WHERE: The change will affect the following venue(s):

- Acute/Inpatient (to include ED & Peri-Op)
- Ambulatory/WIC

At the following NLH Member Organization(s):

- All NLH Hospitals

WHO: The change will affect the following staff at the above noted locations:

- Clinical Staff
- Providers

Patient Education Content Update

WHAT: The Krames and ExitWriter **Patient Education** content (the content within the Patient Education tools in Cerner) will be updated.

While there is **no planned downtime**, users will be able to search for content but will **not have access to any Favorites** during the updates. **Custom Content will remain available** throughout the upgrade, which includes the NLH Prevention titles used for **Medicare Wellness Visits**.

WHY: Updates to the Patient Education libraries provide caregivers with access to the most current education content for our patients.

WHEN: Wednesday, November 12, 2025

- Emergency Department 07:30 – 11:00
 - Ambulatory and Inpatient 12:00 – 16:30
-

EHR Updates

Week of November 6 – November 12, 2025

WHERE: The change will affect the following venue(s):

- Acute/Inpatient (to include ED & Peri-Op)
- Ambulatory/WIC

At the following NLH Member Organization(s):

- All NLH Member Organizations (excluding Mayo)

WHO: The change will affect the following staff at the above noted locations:

- All Millennium End Users

Non-Medication Skin Care Products Removed From Order Catalog and added to iView for Documentation – Effective 12/2/25

WHAT: Orders

The following **non-medication skin care products** used for skin hydration and not the treatment of a disease state have been **removed** from **PowerPlans** and the **order catalog**:

- Aquafor
 - Eucerin
 - Lanolin
 - Vaseline
 - Vitamin A&D Ointment
-

EHR Updates

Week of November 6 – November 12, 2025

Obtaining the Non-Medication Skin Care Products

The non-medication skin care products will become floor stock items and nursing should follow the current process of obtaining floor stock items.

Pharmacy Product	Supply Chain Description	Infor Item #	MFG
Eucerin Cream	Eucerin Lotion 8.4 oz	547227	Beiersdorf Inc
Lanolin Cream	Purelan Lanolin Cream 7g	547232	Medela
Vaseline	Jelly Petroleum 1 oz	541641	Medline
Vaseline	Jelly Petroleum Remedy Essentials 4 oz	546768	Medline
A&D	Ointment Soothe & Cool 2 oz	541567	Medline

NOTE: Work with nursing leadership and supply chain to get these items stocked where needed.

Click [here](#) to access the Supply Chain Portal.

Documentation of Non-Medication Skin Care Products

- **Non-Medication Skin Care Product Applied** has been added to **Activities of Daily Living Hygiene ADLs** in Interactive View and I&O.
 - Nursing and CNAs are to use this documentation field when these products are used.

NOTE: The existing **orders** for these products **will be discontinued** at the time of go-live. Nursing/CNAs will **continue to use these products** on their patients and **document their usage in iView**.

WHY:

- Improves nursing and CNA workflows.
- Improves patient experience by allowing these products to be at the bedside.

WHEN: Tuesday, December 2, 2025

WHERE: The change will affect the following venue(s):

- Acute/Inpatient (to include ED & Peri-Op)

At the following NLH Member Organization(s):

- All NLH Hospitals (excluding Mayo)

WHO: The change will affect the following staff at the above noted locations:
