

Substance Use E-Consult

Ambulatory providers have a **Substance Use E-Consult** order available to support collaboration with NL Acadia's Addiction care Unit.

Substance Use Clinical Guidelines

Referral must include:

- History of Substance Use Disorder
- Diagnosis of Opioid Use Disorder of Moderate or Severe
- Clinical Opiate Withdrawal Scale (COWS)

If available, include additional information:

- Urine Drug Screen
- Hepatic Function
- EKG
- Any other interventions and effectiveness of those interventions
