## Nuance DAX Copilot

### Frequently Asked Questions

#### How do I find my patient summaries?

- From the Dragon Menu, select DAX Copilot.
  - The summary list will display.
- To open the summary, select it.

# CDA/DAX Co-pilot Go-Live

## How do I transfer text to a note?

**STEP 1:** Place the cursor **within** the **component** the text is to be transferred.

**STEP 2:** To **transfer** text, **these statements need to be followed:**

- “Transfer History of Physical Exam”
- “Transfer Social History”
- “Transfer Family History”
- “Transfer Allergies”
- “Transfer Medication”
- “Transfer Review of Systems,” etc.

**NOTE:** Alternatively, the copy / paste function can be used.

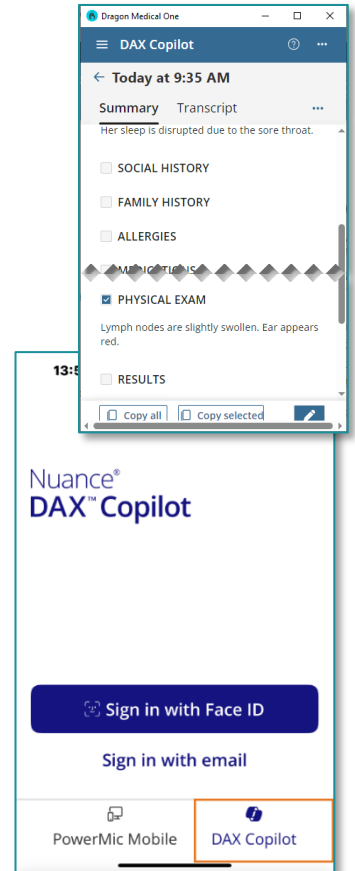

## Important Reminders

- Use the DAX Copilot tab within PowerMic Mobile app to populate AI-generated clinical summaries from ambient recordings.

## Clinical Digital Assistant (CDA)

### Known Issue/Update

- Please log a Help Desk ticket if your iPhone does not have iOS version 17.6 or higher, as it is causing Wi-Fi connectivity issues.

For questions regarding process and/or policies, please contact your unit’s Clinical Educator or Clinical Informaticist. For any other questions please contact the Customer Support Center at:

207-973-7728 or 1-888-827-7728.
