
Access Netsmart from the Home Care and Hospice intranet page. To log in, your Netsmart Self-Service account credentials as well as your Netsmart Homecare username will be needed.

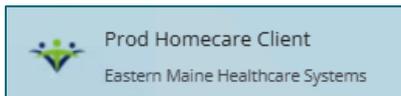

Logging in to Netsmart

Your **Netsmart Self-Service** login is used to establish the connection to the Netsmart server to access Netsmart.

STEP 1: Navigate to **Netsmart Cloud** located on the intranet.

STEP 2: Enter your Netsmart system username and password created in Self-Service.

STEP 3: The Apps landing page displays, select **Prod Homecare Client**.

STEP 4: Enter your Netsmart username and password and select **OK**.
