

When a vaccine is administered, add the vaccine to Medications and Immunizations within the Patient's chart, such as a Flu or COVID vaccine administered in the home.

Flu Vaccine

➤ Medication

STEP 1: Tap **Medications** tile.

STEP 2: Tap **+** in the lower right and enter **Flu Vac** in the search box.

STEP 3: Tap the box to add **Flu Vaccine** and tap **Done**.

STEP 4: Enter vaccine details:

- **Dose:** .5
- **Dose Unit:** Milliliter
- **Frequency:** As soon as possible
- **Route:** Intramuscular (IM)
- **Ordering Physician:** Enter 329511, or enter **Pastore, Anthony**
- **End Date:** Today's date
- Tap boxes for:
 - **Do not create sup order.**
 - **Do not create end sup order.**

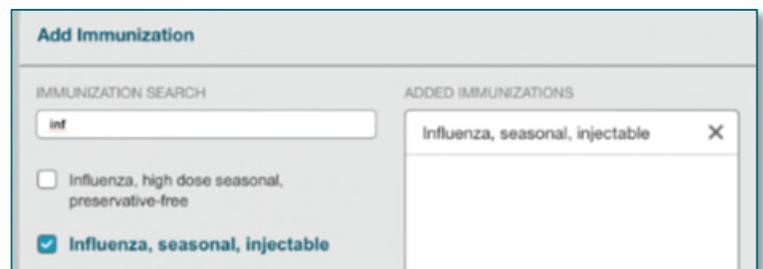

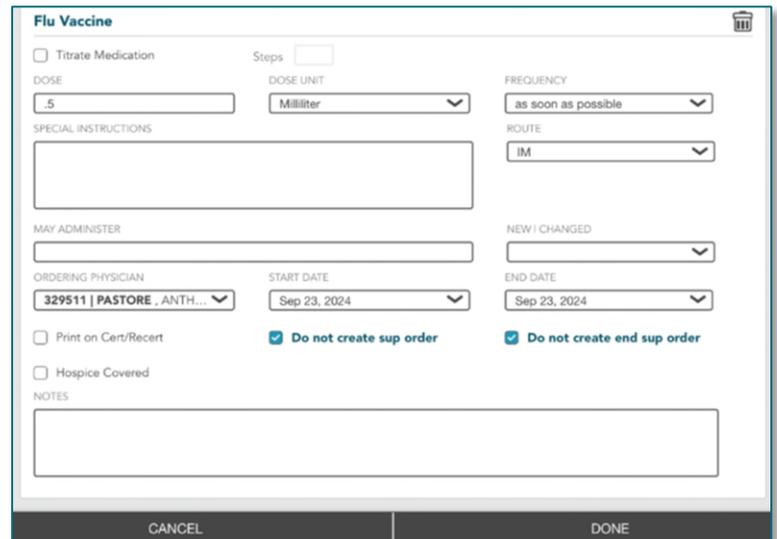

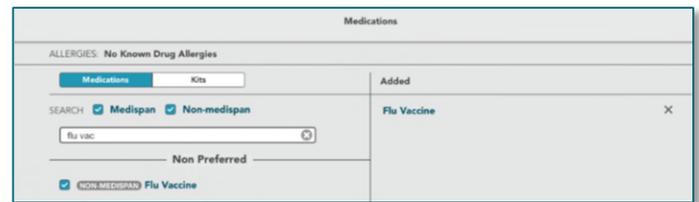

STEP 5: Tap **Done** and tap arrow back to **Save**.

➤ Immunizations

STEP 1: Tap **Immunizations** tile.

STEP 2: Tap **+** in the lower right and enter **Inf** in the **Immunization Search** box.

STEP 3: Tap the box to add the appropriate **Influenza vaccine administered**.

STEP 4: Tap **Next**.

STEP 5: Enter Immunization details:

- **Date of Administration:** tap dropdown arrow to open the calendar, **select date and tap done**.
- **Locale:** Tap dropdown arrow and select **Home Health Agency**.

STEP 6: Tap **Done** and tap arrow back to **Save**.

Covid Vaccine

➤ Medication

STEP 1: Tap **Medications** tile.

STEP 2: Tap **+** in the lower right and enter **name of manufacturer** in the search box.

STEP 3: Tap the box for the vaccine administered and tap **Next**.

STEP 4: Enter medication details:

- **Dose:** enter correct dose based on manufacturer
- **Dose Unit:** Milliliter
- **Frequency:** As soon as possible
- **Route:** Intramuscular (IM)
- **Ordering Physician:** Enter 329511 then tap **Search** or **Enter** to choose **Pastore, Anthony**
- **End Date:** Today's date
- Tap boxes for:
 - **Do not create sup order.**
 - **Do not create end sup order.**

STEP 5: Tap **Done** and tap arrow back to **Save**.

➤ **Immunizations**

STEP 1: Tap **Immunizations** tile.

STEP 2: Tap **+** in the lower right and in the Immunization Search box, enter **Sars**.

- Tap the box for the **COVID** vaccine administered (see dose).
- Tap **Next**.

STEP 3: Enter Immunization details:

- **Date of Administration:** by tapping the dropdown arrow to choose the date and then tap **Done**.
- **Locale:** Tap dropdown arrow and select **Home Health Agency**.

STEP 4: Tap **Done** and tap arrow back to **Save**.
