
When an LPN is completing a Clinical Note for a patient, the discipline needs to reflect the correct discipline.

- Clinical Notes documented for a patient visit only requires the discipline field to indicate LPN/Licensed Practical Nurse.
- Within the Clinical note, the discipline will default to SN/Skilled nursing, click the dropdown and select LPN/Licensed Practical Nurse.

RESOURCE TYPE Licensed Practical Nurse	DISCIPLINE SN Skilled Nursing
USE CODE	EFFECTIVE DATE Feb 4, 2025

RESOURCE TYPE Licensed Practical Nurse	DISCIPLINE LPN Licensed Practical Nurse
USE CODE C	EFFECTIVE DATE Feb 4, 2025

NOTE: Changing the Discipline will create an automated Task for the Case Manager with a copy of the note to review.
