From the Office of Health Informatics

Perioperative Tracking Board Communication Icons

September 04, 2026

The Perioperative Tracking Board uses communication icons to alert the surgical team of any information they need to know about the patient. Icons seen on the board are site specific. The icons can be placed by "setting events." For instructions on how to set events, please refer to the Periop Tracking Board Overview flyer.

Perioperative Tracking Board Icon Reference

Icons seen on the board are site specific.
