Complete a Technologist's
Cardiac Cath Ascend Report
March 5, 2025

This flyer will demonstrate how to begin, review, and assign a Cardiac Cath Ascend report.

Begin and Review Cardiac Cath Report

From the task list:

STEP 1:   Click the Cardiac Cath study that needs to be reviewed and signed.

STEP 2:   Click **Start reading** from the tool bar.

**STEP 3:**   From the **Startup** tab, click the type of study that was performed.

STEP 4:   Click **Next**.

**STEP 5:**   Select the appropriate **Case Type**.

STEP 6:   Click **Begin reporting**.

STEP 7:   Review the report and verify the information that has been imported from the hemodynamic system is accurate.

STEP 8:   Click **To be read** in the top toolbar.

Assign the Report

STEP 1:   From the task list, right-click the **Sign icon**   that is next to the task being sent to the cardiologist.

STEP 2:   Click **Assign**.

STEP 3:   Click the **Name** field and start typing the cardiologist's name that the study will be assign to.

STEP 4:   Click the name being selected.

STEP 5:   Click the **Right Arrow** icon to move the selected name to the **Assign To** window.

STEP 6:   Click **Assign**.

NOTE: Once the study has been assigned to the cardiologist, the task will drop from the technologist's task list.
