

From the Office of Clinical Informatics Inpatient Registered Dieticians Updating a Diet Order

June 27, 2024

The JPP Nutrition Services PowerPlan allows Inpatient Registered Dieticians to change an existing diet order per protocol.

SQ .

JPP Nutrition Services

To update a diet order, navigate to the **JPP Nutrition Services** subphase located within the Admission PowerPlans using the steps below.

- STEP 1:Navigate to the Orders component on the NutritionWorkflow MPage view.
- **<u>STEP 2</u>**: Click the **Orders** hyperlink.
- **<u>STEP 3</u>**: Select the appropriate Admission PowerPlan from the view pane.
- **<u>STEP 4</u>**: Select the **View Excluded Components** icon to view all excluded orders within the PowerPlan.
- <u>STEP 5</u>: Click the JPP Nutrition Services subphase of the PowerPlan.

<u>NOTE</u>: If this is the first time placing the order, follow Steps 1 – 7 below.

- **<u>STEP 1</u>**: Select the new **Diet** order by placing a check in the box to the left of the order.
- **STEP 2:** In the **Ordering Physician** box, select **Protocol** as the **Communication Type**.
- STEP 3: Select OK.
- **<u>STEP 4</u>**: Modify the order details and complete any required fields highlighted in yellow.
- **<u>STEP 5</u>**: Select **Orders For Signature**.
- STEP 6: Select Sign.
- **<u>STEP 7</u>**: **Duplicate Order Alert** displays.

- <u>NOTE</u>: The Duplicate Order Alert populates when entering an order that already exists in the patient chart. The alert displays a list of the duplicate orders (most recent first) and options for addressing them. Because Registered Dieticians are entering a new diet order, the Duplicate Order Alert is a way to cancel the previous diet order in an efficient way.
- **<u>STEP 8</u>**: Click to highlight the original diet order that is being replaced.
- **<u>STEP 9</u>**: Select **Cancel/DC**.
- **<u>STEP 10</u>**: Select **OK** to complete.
