

The Hybrid Time Based Charges section is being removed from Rehab Therapy PowerForms. Charges documented in this section will be documented in the applicable Time Spent with Patient or Strapping/Casting section of Rehab Therapy PowerForms. All charges in the Time Spent with Patient and Strapping/Casting charge sections will be available to charge for all NLH Member Organizations. This change is to promote standardization of Rehab charges throughout NLH.

**NOTE:** In Time Spent with Patient, charges are listed in numerical order by CPT code.
