 Documentation Updates**

October 21, 2025

The Hybrid Time Based Charges section is being removed from Rehab Therapy PowerForms. Charges documented in this section will be documented in the applicable Time Spent with Patient or Strapping/Casting section of Rehab Therapy PowerForms. All charges in the Time Spent with Patient and Strapping/Casting charge sections will be available to charge for all NLH Member Organizations. This change is to promote standardization of Rehab charges throughout NLH.

NOTE: In Time Spent with Patient, charges are listed in numerical order by CPT code.
