# Enterprise Imaging (EI) Orthopedic Provider Workbook

## Signing into Enterprise Imaging (EI) – Clinician Desktop

- Click the **Windows icon** in the bottom left corner of the computer screen.
- Click **Agfa Healthcare**.
- Click **Enterprise Imaging**.
- Click **Clinician icon**.
- Type your **Username**, currently used in IMPAX.
- Type your **Password**, currently used in IMPAX.
- Click **OK**.

## Locate Patient order

- **Via task list or ad hoc search**

1. Select **Search icon** in the tool to begin an ad-hoc search.
2. Input search criteria (i.e., **Patient ID, patient last name, accession number**).
3. Select **Search** icon.
4. Search results display with the number of results that meet your search criteria.
5. Select the study you want to review.
6. Double-click or right-click the line of the study you wish to display and open.
7. Text area displays.
8. Study information tab displays if report has not been created. If report is created, the report tab displays here by default. View study information and technical comments by users either entered in EI manually or in the RIS via HL7 message.
9. Comparison studies are available for this patient.
10. To display comparisons, right-click for display options.

# Enterprise Imaging (EI) Orthopedic Provider Workbook

11. On a one monitor setup, click the **image** icon to go to image display. 

12. Image page displays.

13. Available tools:

# Enterprise Imaging (EI) Orthopedic Provider Workbook

## Toolbar Icons

### ➤ Tools necessary to manipulate the system

#### ▪ File – Menu Option

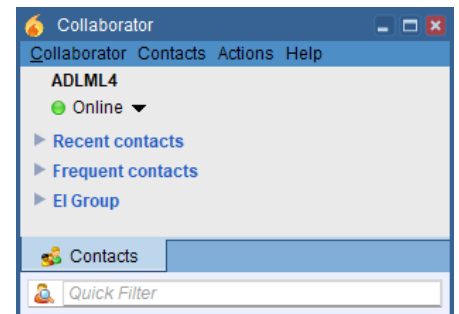

- Logoff
- Exit
- Add user

#### ▪ List Area – Menu Option

- Activities Overview
- Customize columns
