

Northern Light Health Single Sign-On (SSO) Access to VisualDx

VisualDx is available through Single Sign-On (SSO) at Northern Light Health. Follow the steps below to start using VisualDx.

Step 1

Visit https://visualdx.com/ visualdx/?sso=NLH or use the QR code below to login with SSO.

Note: Your email address should appear in the upper right corner.

Step 2

Enter your network credentials to login. You should be brought into VisualDx without the need for a username or password.

Step 3

If you do not already have a personal account, you will receive an email that your account has been automatically created and set your password for the mobile app.

If you previously had a personal account using your Northern Light Health email, then you can skip the remaining steps and use the mobile app as you have been.

Thank you for creating a VisualDx account.

Your username: your.email@NorthernLight.org To set your password, please <u>click here</u>.

Getting Started

<u>Click here</u> for quick tips to guide you through the key VisualDx features, like building a custom differential, filtering images, or searching medication adverse events.

VisualDx Mobile

Get the support you need right where you need it with our app for iOS and Android. Included in your subscription at no additional cost.

Step 4

Download the VisualDx mobile app from the Apple Store or Google Play Store.

Step 5

On your device, locate the VisualDx app and login with the username and password you created in Step 3.

Congratulations, you're ready to go!

You can earn CME* with VisualDx.

VisualDx users who are eligible can earn CME credit for each clinical inquiry made using the resource.
