

The Death Summary Template is available for member organizations using Dynamic Documentation. Information entered by nursing prior to the provider opening the template will populate to the Death Summary. The benefit of the Death Summary template is documentation elements not appropriate have been removed to expedite the documentation process.

## Death Summary Template

The **Death Summary** link is located at the bottom of the **Discharge Workflow** page from **Provider View**.

- The template is also located in **Documentation** by selecting **All** in the **Note Type List Filter**; then type **Death Summary** and select **Death Summary**.
