

The following steps outline how to order an Anesthesia PowerPlan. Please follow your organization's policies and guidelines for Order Entry.

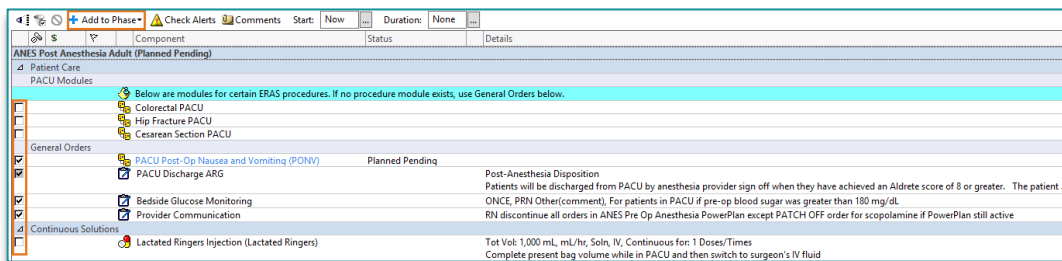

STEP 1: From the Add Order window, search for the ANES PowerPlan.

- A PowerPlan is indicated by the PowerPlan icon. 

STEP 2: Enter appropriate Physician Name and Communication Type in the Ordering Physician dialog box.

STEP 3: All orders that are part of the PowerPlan are displayed.

- Any order with a checkmark is automatically selected to be ordered.
- Select/deselect as appropriate to include/exclude orders from the PowerPlan.

NOTE: Orders that are not a part of the PowerPlan can be added using the Add to Phase Button.

STEP 4: Click Initiate Now.

- The Light Bulb  icon displays next to items in the main order frame that will be ordered once the PowerPlan is signed.

STEP 5: Click Orders for Signature.

- A consolidated list of orders to be initiated with the PowerPlan will display.

STEP 6: Click Sign.

- The PowerPlan orders are now active.
