

Documenting Using  
*PowerChart Touch*  
Providers

## Starting the HPI, RoS, PE, and A&P

1. Scroll to the bottom of the Chart Review view.
2. Tap in a component section (History of Present Illness, Review of Systems, Physical Exam, or Assessment and Plan).

Subjective/HPI

Review of Systems

Objective/PE

Assessment/Plan

3. Enter text by typing or dictating.
4. Tap **Save** for that component.

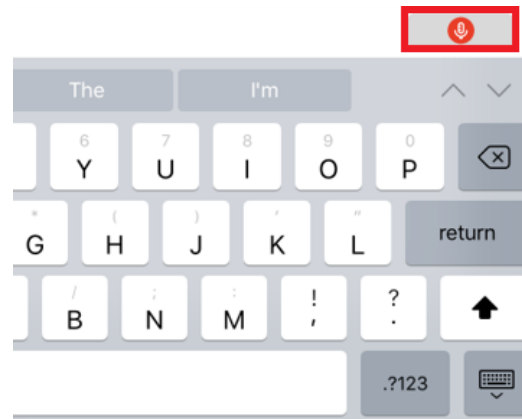

Subjective/History of Present Illness

Save

Enter Text

## Dictating

1. Tap in a component.
2. Tap the **Nuance** button above the keyboard, and begin dictating.

3. To move to the next speech-enabled element, say **go to next field**.
4. When you are finished, tap the **Nuance** button again or say **microphone off**.
5. Tap **Save** for that component.

*TIP: For a full list of commands, tap the **Nuance** button and say **What can I say?***

## Creating a Note

1. Access the Document view, and tap the note template you want to use.

2. Enter the appropriate information and make any other modifications you want.
3. Tap **Save** to save the note as a draft.
4. Tap **Sign** to complete the note.
5. Enter the note title, note type, and the date and time of the note in the Details dialog box.

Details

Type **Required**

Title **Office Visit Note**

Date/Time Oct 26, 2016 12:59 PM

6. Tap **Save/Sign**.
