

From the Office of Health Informatics Oracle Health (Cerner) Millennium Creating Treatment Consent

August 27, 2025

To create a treatment consent using Dyn Doc and an auto text, follow the steps outlined below.

Creating a Treatment Consent Using Dyn Doc

- **<u>STEP 1</u>**: From the **Amb Oncology 2023** Workflow MPage, scroll down to the **Create Note** section and click the **More** dropdown.
- **<u>STEP 2</u>**: Select **Treatment Consent**.
- **STEP 3:** The note displays with the **/onc_consent_general*** auto text pre-filled in the free-text field.
 - Click at the end of the auto text. The auto text option displays.
 - Click **Enter** or double-click the auto text to fire the auto text.
- **<u>STEP 4</u>**: Complete documentation by filling out the fields of the note and any additional information.

- **STEP 5:** When ready to sign the note, click **Sign/Submit**.
- STEP 6: Click Sign.
- **<u>STEP 7</u>**: After signing, the provider will do one of the following:
 - Print the consent and have the patient sign, then give to the triage nurse to have scanned into the patient's chart.
 - Ask the triage nurse to print the consent, have the patient sign, and get scanned into the chart.
- <u>NOTE</u>: Once signed the consent will be scanned into the patient's chart under Chemotherapy Consents.
