

When entering regimen orders for pre-loading and the patient is on a cycle other than the first cycle, follow the steps outlined in this flyer to skip and rename the cycles to accurately reflect the cycle the patient is on.

## Pre-Loading Regimens

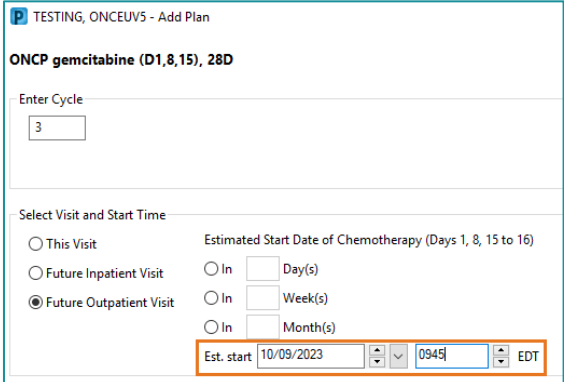

### ➤ Skipping Cycles

- When entering regimen orders for pre-loading, click the **Skip** button  to skip to the correct cycle number the patient is on.
- Update the **Start Date** and **Time** to reflect the cycle start date.

### ➤ Skipping Cycles for Patients with Very High Cycle Numbers

For patients with very high cycle numbers, follow the steps below to skip and rename cycles.

- Skip all the cycles until the last cycle by clicking the **Skip** button. 
- Click the **Start** button  on the last cycle.
- Update the cycle number to the actual cycle number the patient is on (e.g., cycle 10).
- Enter orders for the cycle.
  - When finished, click **Orders for Signature**, and then **Sign**.
- Navigate back to the regimen level and click the **Extend** button on the last cycle with the updated cycle number.
