

This flyer will demonstrate how to view when charges are complete for WIC/Express Care throughout the system.

Enhanced Tracking Board

➤ In the Events Column

- There will be a new indicator that will display when E & M Charges have been entered on your discharged patient.
- From your discharged list, change the filter to display last 12, 36, or 48 hours.

- In the Events column, will be an icon with a red check that indicates E & M charges have been completed.
