End a Transfusion

From Bridge:

- **<u>STEP 1</u>**: Click **End Transfusion**.
- **<u>STEP 2</u>**: Complete the appropriate scans.
- **<u>STEP 3</u>**: Enter the transfusion volume; then, click **Continue**.
- **<u>STEP 4</u>**: Enter the patient's vitals; then, click **Continue**.

Review Transfusion History

- ➢ From Bridge:
- **<u>STEP 1</u>**: Click **Browse Transfusion History**.
- **<u>STEP 2</u>**: Click the **Info** icon next to the transfusion.
- **<u>STEP 3</u>**: Use the tabs to review information as needed.

Add Post Transfusion Reaction

- ➢ From Bridge:
- **<u>STEP 1</u>**: Click **Browse Transfusion History**.
- **<u>STEP 2</u>**: Click **No** in the Reactions column.
- **<u>STEP 3</u>**: Select the appropriate symptoms checkboxes; then, click **Continue**.
- **<u>STEP 4</u>**: Review the Reaction Instructions; then, click **Continue**.
- **<u>STEP 5</u>**: Enter the patient's vitals; then, click **Continue**.
- **<u>STEP 6</u>**: Document the reaction instructions are complete; then, click **Continue**.

Administer a Multi-Unit Transfusion

- From Bridge:
- **<u>STEP 1</u>**: Click **Multi-Unit Transfusion**.
- **<u>STEP 2</u>**: Complete the appropriate scans for the first bag.
- **<u>STEP 3</u>**: Confirm if the second recipient tag is present; then, complete the appropriate scans for the second bag.
- **<u>STEP 4</u>**: Click **Continue**.

- **<u>STEP 5</u>**: Verify and start the transfusions from the table.
- **<u>STEP 6</u>**: Click **End** to complete the transfusions, documenting reactions as appropriate.
- **<u>NOTE</u>**: Use the Release icon to remove bags from the transfusion that were not used.

Administer a Rapid Transfusion

➢ From Bridge:

- **<u>STEP 1</u>**: Click **Rapid Start Transfusion**.
- **<u>STEP 2</u>**: Complete the appropriate scans.
- **<u>STEP 3</u>**: Have the cosigner enter their User ID and Password; then, click **Continue**.
- **<u>STEP 4</u>**: Click **Start**.

For questions regarding process and/or policies, please contact your unit's Clinical Educator or Health Informaticist. For any other questions please contact the Customer Support Center at: 207-973-7728 or 1-888-827-7728.
