
This Quick Reference Guide (QRG) demonstrates how to review Staging Documentation.

Review Staging Documentation

The Staging component is available from the following MPages: Ambulatory Oncology 2023, Tumor Board, Infusion Prior Authorization, and Oncology Nursing Workflow.

Review Staging Documentation

➤ From the Staging Summary view on the Oncology Provider View screen:

STEP 1: Click **Details** to view more detailed documentation.

STEP 2: Click the **Show Most Recent Staging Only** hyperlink to see the most recent staging form.

STEP 3: Click the **See All Stagings** hyperlink to display all of the staging forms documented on a patient.

STEP 4: Click the **Modify** dropdown arrow; then click **View Document** in the dropdown menu to display a text rendition of the staging documentation.

NOTE: The **Modify** menu displays other options for reviewing staging documentation, including **Recurrence, Posttherapy, and In Error**.

STEP 5: Click the **Close Window** icon to exit the text rendition.

NOTE: The system provides the ability to mark any documentation that was entered incorrectly and remove it from the patient's staging documentation.
