
This Quick Reference Guide (QRG) demonstrates use of the Women's Health Tracking Board.

Navigate the Tracking Board

➤ From the PowerChart Ambulatory Organizer:

STEP 1: Click **Tracking Board** on the toolbar. Here is access to the women's health management area.

NOTE: The Tracking Board serves as a desktop for PowerChart Maternity and provides the ability to view patient details at a single glance.

STEP 2: Review the tabs for the member organization.

NOTE: The tab functions are the same for any tab selected.

STEP 3: Select the name of the patient to work with.

NOTE: A blue arrow indicates the patient is selected.

STEP 4: Double-click the name of the patient to open the patient's chart for review.

STEP 5: Return to the Tracking Board by clicking **Tracking Board** on the toolbar.

STEP 6: Hover over each area to review the patient's details.

NOTE: Scroll right if all the details aren't displayed on a single screen.

STEP 7: Click any tab, such as the Maine Coast LDRP Providers tab, to access most used icons.

STEP 8: Review the icons:

-  Interactive view opens the tracking board for documentation or review.
-  Clipboard links to the Documentation section of the patient's chart.
-  Medication links to the associated section of the patient's chart.
-  Add order opens the order entry window to add orders for the selected patient.
-  Folder opens the Women's Health View.
-  Access patient education.
