
EMMC Infectious Disease providers will offer inpatient Telehealth Infectious Disease consults to Seabasticook Valley Hospital patients.

Placing Infectious Disease Consultation

- STEP 1:** SVH provider calls Transfer Center.
- STEP 2:** Transfer Center connects SVH provider with EMMC Infectious Disease provider.
- STEP 3:** If it is decided to move forward with a Telehealth consult, Transfer Center will call registration to have new FIN created.
- STEP 4:** Transfer Center will provide the new FIN number and if the Telehealth Informed consent is needed.
- STEP 5:** SVH provider will provide the time of the consult to nursing staff and have patient sign Telehealth Informed consent, if needed.
- STEP 6:** Nursing staff will have the Amwell cart in the room at the time of the consult and the EMMC Infectious Disease provider will call into the Amwell cart.
