

Controlled Substances Management PowerForm Update

WHEN: Tuesday, December 3, 2024

WHERE: The change will affect the following venue(s):

- Ambulatory

At the following NLH Member Organization(s):

- All NLH Practices
 - Excluding NL Mayo & NL Acadia clinics

WHO: The change will affect the following staff at the above noted locations:

- Providers
- Clinical Staff
- Integrated Behavioral Health

WHAT: An additional free text box, **Additional Clinical Comment**, will be added to the **Controlled Substances Management** form.

WHY: The new field will enable **clinical staff** to enter supplemental clinical information without overwriting the existing **Pill Count** comments. The comment will also populate within the controlled substance auto text.

HOW: Continue to document on Medication Management Documentation section of the Controlled Substance Management form. If necessary, use the Additional Clinical Comment free text box to document any pertinent information.

Controlled Substance Management Documentation
