

## Sepsis Blood Culture Auto Text Update

**WHEN:** Tuesday, December 17, 2024

**WHERE:** The change will affect the following venue(s):

- Acute/Inpatient (to include ED & Peri-Op)
- Ambulatory

**At the following NLH Member Organization(s):**

- All NLH Hospitals and Practices (excluding NL Mayo)

**WHO:** The change will affect the following staff at the above noted locations:

- All Clinical Staff

**WHAT:** A comprehensive auto text **/sepsisbloodcultureshortage** has been created to to insert the following statement: **“Due to the national shortage of blood culture supplies, blood cultures were not ordered for this patient.”**

**WHY:** Due to the national blood shortage of blood cultures, the **auto text** can be used to document situations where blood cultures could not be ordered, ensuring accurate and standardized documentation.

**HOW:** When necessary, use the auto text within the desired location of the documentation.

- Place your cursor in the desired location within the document.
- Type **/sepsisbloodcultureshortage**
- Press **Enter** key and the summary populates automatically.

`/sepsisbloodcultureshortage *`
