

Workflow MPage Update – Referrals Component

WHEN: Wednesday, December 18, 2024

WHERE: The change will affect the following venue(s):

- Acute/Inpatient (to include ED & Peri-Op)
- Ambulatory

At the following NLH Member Organization(s):

- All NLH Organizations (except NL Mayo Hospital)

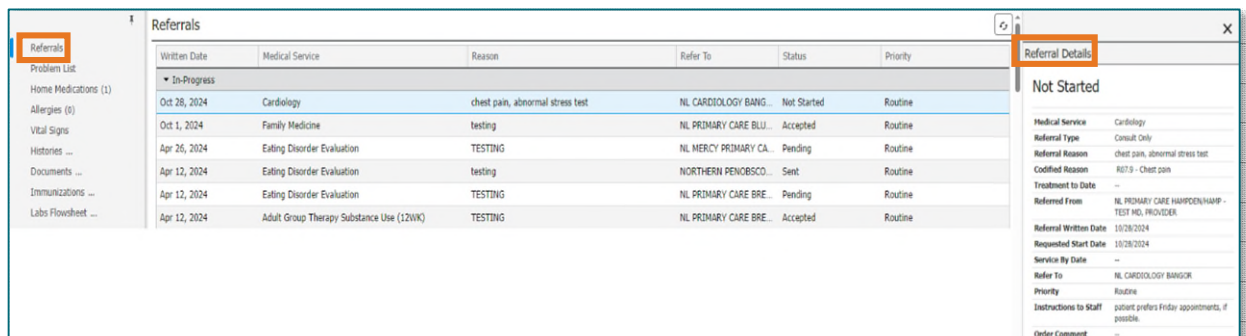

WHO: The change will affect the following staff at the above noted locations:

- Any clinical and non-clinical position who may use the Referral component within the Workflow MPage.

WHAT: The **Referrals** component will be available within all Workflow MPages as **view only**.

WHY: The **Referrals** component will provide **view only** visibility to current or historical referrals for the patient from the last three years within the Workflow MPage.

- Click a specific referral to see details regarding the **Referral Type, Referral Reason, Referred From, Refer To, and Instructions to Staff**.
