

## New Status C Tracking Board & New Icons

**WHEN:** Tuesday, November 12, 2024

**WHERE:** The change will affect the following venue(s):

- Peri-Op Only

**At the following NLH Member Organization(s):**

- All Member Organizations (Excluding Acadia and Mayo)

**WHO:** The change will affect the following staff at the above noted locations:

- PAT Nurses
- Surgical Nurses
- Surgeons

**WHAT:** The following changes will be noted by:

➤ **Surgical and PAT Nurses:**

- A new tracking board, **Status C Monitoring**, will be added to the perioperative tracking board.
- To remove the board from view, follow these instructions: [Add-Remove-Tracking-Lists.aspx \(northernlighthealth.org\)](https://www.northernlighthealth.org/Add-Remove-Tracking-Lists.aspx)

➤ **For Surgeons and Periop Nurses:**

- There will be two new icons.
  - A new icon signifying a **Status C Procedure**.
- A new icon signifying a **Repatriation** patient.

- Follow your site process for Status C Procedures and Repatriation patients.

**WHY:** Adding the new board and icon will decrease the possibility of Admission orders not being placed for Status C Procedures. Additionally, the Repatriation will signify that the patient will need to go back to the facility upon discharge.

**HOW:** The Status C Procedure and Repatriation icons will be set by designated personnel monitoring for these types of procedures. Please see your site's leadership for more information.
