MEMO

Date: November 27, 2024

To: Endoscopy Procedural Areas Using Provation

From: Office of Health Informatics

Re: Provation Scheduled Update

Cc: Jonathan Boucher and Adam Goodspeed

WHEN: The update will start Wednesday, December 4, 2024, at 4:30 PM.

WHERE: **The change will affect the following venue(s):**

- Endoscopy areas that use Provation

At the following NLH Member Organization(s):

- AR Gould Hospital
- Eastern Maine Medical Center
- Inland Hospital
- Mercy Hospital
- Sebasticook Valley Hospital

WHO: **The update will affect the following staff at the above noted locations:**

- Endoscopy staff

WHAT & WHY: This is a scheduled Provation Update to ensure that the system has the latest version of the software.

HOW: To prepare for the update, it is recommended that all procedure notes are documented, coded, finalized, and checked-in before server upgrade starts at 4:30 PM. Failure to do so may cause redocumentation of procedure notes.

If using offline mode, please complete all procedures notes before checking them into an updated Provation MD version. Please keep the workstation in offline mode until after the server update is complete.
